-

Experience

Dower & Associates, Inc., Leesburg, VA (June 2004 – Present)

- ***Home Based ABA/VB Instructor (June 2004 – Present)***
 - Provide 1:1 ABA/VB instruction to children on the autism spectrum in their home setting, using the ABLLS as a curriculum guide
 - Implement ABA programs under the supervision of an SLP, two BCBA's and one BCABA
 - Collect and organize data each session to ensure the child's home based program is current and efficient
 - Attend team meetings to review the student's progress and behaviors that need assessed
- ***Social/Pragmatic Language Camp Director (Summer 2006)***
 - Responsible for the design and curriculum development of a social/pragmatic language camp for children with high functioning autism and/or Asperger's Syndrome
 - Consult with the practice's speech/language pathologists, BCBA and BCABA in the development of the camp
 - Direct support staff in the implementation of goals/objectives for each child
- ***Classroom Based Special Education Assistant (February 2006 – present)***
 - Provide small group instruction to six kindergarten aged children who have suspected learning difficulties, attentional challenges and/or diagnosed with PDD-NOS at the direction of the kindergarten teacher and the school's consulting speech/language pathologists and BCBA/BCABA.
- ***Academic/Remedial Tutor (February 2006 – present)***
 - Provide 1:1 remedial instruction for students with suspected or diagnosed learning disabilities and/or attention deficit disorder

The Aurora School, Purcellville, VA (May 2004 – August 2004; May 2005 - January 2006) ***Center Based ABA/VB Instructor***

- Provided 1:1 and 2:1 ABA/VB instruction to children on the autism spectrum in a classroom setting, using the ABLLS as a curriculum guide
- Created and implemented ABA programs under the supervision of three BCBA's and one BCABA
- Gathered and organized program materials
- Met with ABA/VB consultants, families and school administration to determine the most efficient way to meet the needs of the students
- Collected and organized data each session to ensure the individual's program is current and efficient
- Completed quarterly progress reports to monitor progress in the ABLLS objectives
- Gave weekly sign language workshops for The Aurora School employees

- Provided consultations for potential new students of The Aurora School
- Followed the positive practice procedure for toilet training students
- Provided respite services to local families
- Contracted out by The Aurora School to provide ESY services for Loudoun County Public School (Summer 2004)
